WATER RELINQUISHMENT DOCUMENT
(Title of Document)

This page added to provide additional information required by NRS 111.312 Sections 1-2. (Additional recording fee applies)

Describe place where water will be used; describe with
Sec. 10 Portions of the NE1/4 NE1/4, NW1/4 NE1/4, SE1/4 NE1/4,
quarter sections, section, township, range, M.D.B. & M. and assessor's parcel numbers and attach map

4. I understand that this withdrawal of all / a portion of 68151
(circle one)

5. I understand this withdrawal shall become effective upon the date approved by the State Engineer. However, if a final subdivision or parcel map is not recorded in the office of the county recorder of the county wherein the land division is located within 18 months after the State Engineer's approval the base right holder may petition the State Engineer to void this withdrawal on the basis that all proceedings concerning the division of land have been terminated.

2

7. Upon approval of this withdrawal by the State Engineer, I shall record this Affidavit of Withdrawal in the office of the county recorder of the county in which the final subdivision or parcel map is recorded. I shall also record this Affidavit of Withdrawal in the office of the county recorder of the county in which the old place of use was located, if it is not the same county.

8. I shall provide the State Engineer with a certified copy of the recorded Affidavit of Withdrawal within thirty (30) days of recording the Affidavit with the county recorder.

DATED: This 1st day of July, 2004.

Permit 68151

Enclosed is the original relinquishment document, recently signed and approved by the State Engineer as of the date indicated, for water from Permit 68151, in the amount of 149.48 AFA to create 74 domestic well lots in Smith Valley, Lyon County, Nevada. Please note that a remainder of 12.54 AFA remains, at present, uncommitted in your ownership.

To properly complete the documentation process for this Relinquishment, this office must have a recorded copy of the Relinquishment returned within 30 days of this letter. In this case, the recorded copy will originate with the Lyon County Recorder.

This office reserves the right to require the lot/parcel owners to install totalizing meters on their wells. In addition, this office may require either the pumpage figures to be submitted to this office or may have Division of Water Resources staff read the meter by staff personnel.

Thank you in advance for your attention to this matter.

Sincerely,

John L. Lane
Staff Engineer II
